<p>In Partnership 'Our life together' the many and various ways in which we as God's church in Hucknall seek to serve Him are described. Please consider how you can use the gifts that God has given you and indicate on this form any of the activities that you would like to become involved with or learn more about. Please indicate each with a tick in the right-hand column and the leader for that area of church life will shortly be in touch.</p> <p>Please note there is no need to tick any areas of church life in which you are already serving</p>
